Repairing Domestic Climate Displacement

The Peninsula Principles

Edited by **Scott Leckie**, Displacement Solutions; University of Melbourne, Australia and **Chris Huggins**, Carleton University, Canada

Series: Routledge Studies in Development, Displacement and Resettlement

The book provides detailed explanations and interpretations of the Peninsula Principles and includes in-depth discussion of the legal, policy, and programmatic efforts needed to uphold the standards and norms embedded in the Principles. The book aims to provide scholars and policy-makers with the conceptual understanding necessary to ensure that national-level policies are in place to respond to the climate displacement challenge, as well as a firm sense of the programme-level approaches that can be taken to anticipate, reduce, and manage climate displacement.
